

St. Patrick Handbell Program

Open House for current SPS second graders

Monday, May 19th in the New Church: 2:30 - 3:30 PM

Thinking about joining the 3rd grade handchime choir this fall? Come and check it out! Learn to play some hymns on our handchimes, and create a few rhythms on our African and Latin percussion instruments.

How can my child attend?

- Return the form below to the school office by Tuesday, May 13th so that a list of attendees may be created for the classroom teachers and Extended Day in advance of the event. This form grants permission for the second grade teachers to dismiss open house students to Mrs. Oster at 2:30 PM. She will walk the students over to the New Church for the event.
- Students may be picked up from the New Church at 3:30 PM. It is not mandatory that parents attend; however, parents are always welcome to sit in the pews and observe.
- A student's inability to attend the Open House does not preclude his/her ability to join this fall. Formal registration will occur online this year (not at Fee Days nor "Meet & Greet,") and should be completed by 7/31. The registration form may also be printed out and mailed by USPS or dropped off at the rectory. Check the parish website; click on "ministries & organizations."
- Questions: please call Mrs. Diane Oster, St Pat's Handbell Director, at (847) 501-0523

Additional information about the program:

- School year rehearsals for 3rd grade ringers take place on Mondays from 2:30 - 4:00 PM. Please schedule doctor and dental visits for *a different afternoon*. Thank you.
